To: Parrish, Steve

I saw Clare and we put this together. Let me know if I can give this to Diane O. as is or if there are changes to order, topics, etc.. She really needs this.

We're assuming that each person will speak on the following topics for approximately 20 minutes (i.e., 100 minutes of total presentation):

SCP: OSHA/EPA Lawsuit/Recent Lawsuits/ABC Lawsuit/SF Lawsuit
(although Clare says you may be farming these out at Staff Mtg)
EM: State Tax Issues/Ads/Media Coverage on Recent Lawsuits
BL: Ignition Propensity/Federal Issues (?)/Ban (?)--Clare didn't know what this one meant...
MF/AL: FDA Jurisdiction/Nicotine
TA: Status on Ingredients Disclosure and Activities

This would be followed by 1 hour of Q&A.

- Identify S.L. consultant
to Charles
- Nicole - recall to
